

The animals at Safe Harbor Humane Society need your help.

For 103 years, Safe Harbor Humane Society has been caring for the lost, homeless, neglected, and abused animals in Kenosha County. Each day our team reunites lost pets with their families and helps our adoptable animals find their forever homes. Over 1,200 animals were adopted in 2018! We are asking for your support to keep this momentum going!

As a non-profit; Safe Harbor relies heavily on donations from our community to continue our lifesaving work. We are looking for businesses to sponsor or participate in our Walk for Paws Family Festival and 5K. This year the event will be held on Sunday, October 6 at Poerio Park in Kenosha.

There are many different ways you can support this event including:

- Sponsoring the event
- Booth space at the event
- Selling 'pawgrams' at your place of business
- Donating an item or gift certificate for use as a raffle prize
- Donating items to put in the goodie bags of registered racers
- Creating a team of runners to participate in the race

Our goal is to raise \$30,000 to support our mission to house, care for, and find loving homes for the animals in Kenosha County. It costs more than \$950,000 annually to keep our shelter doors open to the thousands of animals that find their way here each year. All donations are tax deductible. We are a 501c3 corporation and our Federal ID is 39-0977528.

Please consider joining the many businesses in our community that have chosen to support our cause. This is an opportunity to support a long-standing community organization while increasing awareness of your business. You can sign up for a booth space or sponsorship online at www.safeharborhumanesociety.org/walk-for-paws.html or by filling out the attached forms. If you would like more information on other ways you can support Walk for Paws, please contact me using the information below. Thank you and I look forward to speaking with you soon!
